### Blessings from our February Gathering and Hoot

Talk to anyone who attended our February Hoot and Gathering and they will tell you that they were blessed in many ways. First the attendance at 'The Hoot' was one of the largest ever and the sharing and devotions continued to 'push-up' our new Butterflies.

Due to the fact that our 4th Day Speaker was unable to attend the gathering, Amy Bushart asked if anyone would like to share their fourth day experience. Blake Johnson, Josh Shaw and Stephen Charlton from the Boy's Chrysalis Flight shared their 4th days and everyone the editor has spoken with have said that "their Sharing's" blessed everyone at the Gathering.

Bro and Carol Wirwa gave the Offertory Message through their Clown "Mime Communion" and again everyone was blessed from their message..... And it goes without saying....The food was Great!!!

#### Message from John Carson & Ally Wimberly - Lay Directors for Chrysalis Flights #32B & #32G

Because of the love, concern, work and countless gifts of Agape, too many to mention, our Flights were Blessed from the beginning to the end. We want to thank the entire West Tennessee Community for your help and especially your prayers. *-John & Ally-*

**WORDS FROM THE COMMUNITY LAY DIRECTOR**

As we have wrapped up the Chrysalis flights and the spring walks I think everyone would agree that GOD IS GOOD!!!! We have seen so many GOD THINGS that have taken place over the past several months. Yes He placed each caterpillar and pilgrim on that table and in that cabin....There is a reason!!! We have been blessed with great walks which were spirit filled. Let's pray that God will continue to work in all our lives.

With Spring here, it is time to elect new members to the EMMAUS and CHRYSALIS boards. Please be in prayer as you vote and especially pray for those who have eagerly accepted this position if elected. With new Emmaus board members, come new committee assignments. If you have a burning in your heart to serve in a certain area, please let someone on the board know. It takes many dedicated people to fill all the jobs that are needed to keep our EMMAUS events up and going. I assure you there will be many blessing received if you are active. Please complete a new service sheet if you have not already done so.

Our community is in **need** of your support financially. It cost \$140.00 for each pilgrim. We are only charging \$100.00. You can see we are not collecting all we need to cover this cost. **Please take the time to make a donation today**. You will hear more concerning our finances in the near future.

Please accept my personal 'THANK YOU' for giving of yourself to serve others. Throughout the year, I have seen the hands and feet of CHRIST in action. May God Bless You Daily...

Susan Porter  
Community Lay Director
