WORDS FROM THE COMMUNITY LAY DIRECTOR

Greetings from your Board!

One of the very best parts of my assignment as CLD (and quite unexpected) is my front row seat to watch so many dedicated people serving in so many different ways - mostly behind the scenes. Last weekend's Chrysalis flights were no exception. And really, service is our only reason for being. We are called to serve our local churches, our communities, our families, the people we sponsor, we people we are trying to get to know and trying to love, and certainly our God. And when we serve in this way, we are doing what we were built and wired to do by our Creator.

Thank you for your support and prayers for the Board. And thank you for the many, many ways you serve our Community and our God Almighty. Amen.

DeColores,
Tom Beasley
