### Words from the Community Lay Director

Your phone rings..... When you answer, I say, "Hello, this is Mark Emison with the West Tennessee Emmaus Community. I'm calling to see if you would be willing to serve." I have been honored to make many of these calls. Some calls were made to new board members, walk lay directors, committee chairs, etc. Some immediately respond with an enthusiastic YES....and some reluctantly waited to contemplate before responding. But more times than not, the individuals agreed to step up and serve their God and this community in whatever area of need existed.

Well, as you may have guessed, I am dialing the phone right now. We are at the end of our fiscal year for the community. At the start of the new year it will be the responsibility of your new community lay director, Mr. Tom Beasley, to fill his service committees for the new year. He and his board members will be searching high and low for individuals willing to serve in a variety of committee positions. If you have an interest or expertise in a certain area, please step forward and let Tom know you would like to serve. Tom can be reached at [Tom@beasleycpa.com](mailto:Tom@beasleycpa.com).

Decolores,  
Mark Emison
