...to inspire, challenge, and equip local church leaders for Christian action in their homes, churches and places of work

WORDS FROM THE COMMUNITY LAY DIRECTOR

Team meetings have started for the Fall Walks. So NOW is the time to look around and see who in your church you could talk with about EMMAUS. There will only be 35 pilgrims accepted for the upcoming walks. Get the applications in **now** to secure a spot for that special pilgrim.

Agape is needed for the Fall Walks. You should prepare 70 pieces for each Walk. Remember Agape is either from a Reunion Group or anonymous. We do need a contact name where leftover agape can be returned after the Walk.

George Tyree has been elected the new Assistant Community Lay Director. Thank you, George, for your willingness to serve and we know God will use you in many ways during the next years.

A special "THANK YOU" to Susan Porter for her leadership, guidance and dedication to our EMMAUS Community during this past year, and I know Susan will continue to serve as God calls her.

If you feel God pulling at your heart to serve, there are many opportunities available for you in EMMAUS. Please let us know if you have a special interest in serving. Remember God doesn't call the equipped but equips the CALLED.

Everyone has been hit with this bad economy, so has EMMAUS. The walks are costing more than we collect in fees so the Board has decided to increase the pilgrim's fees to \$120 and the team members to \$140. This will not be in effect until next year. I am making a plea to the community to give big now and until the end of the year so I can ask the board to repeal this decision. NOW IS THE TIME to dig deep in your pockets and make a donation. This could be in honor or memory of someone who has touched your life. We want to keep the fee at \$100.00 if possible. I want you to think back to your original walk and any walks on which you have served. Can you put a price on dying moments, candle light, or M&Ms? Please help and give now.
